The Mount Ayr Community School District ("District" or "Employer") and the Mount Ayr Education Association ("Association"), on behalf of the employees it represents, as defined in Article 1 herein, declare that providing the highest quality education possible for the students of the district is their mutual desire and goal.

The parties have reached certain understandings regarding salaries, benefits, hours and conditions of employment, as set forth hereafter.

Article 1 – Recognition

- 1.1 The District recognizes the Association, an affiliate of the Iowa State Education Association and the National Education Association, as the certified sole and exclusive collective bargaining representative, as set forth in the Public Employment Relations Board Case No. 2329, dated December 22, 1982, for the following employees:

All regular and part-time professional employees, including classroom teachers, guidance counselors, librarians, media director, nurses, Chapter 1 teachers, excluding the superintendent, principals, athletic director, assistant athletic director, technology director, special education coordinator, all non-professional employees and all other employees excluded by the Public Employment Relations Act.

- 1.2 Definitions

A. The term "employees", as used in the agreement, shall mean all professional employees described in Section 1.1 above.

B. The term "Board" shall mean the Board of Education of the District or its duly authorized representatives.

C. The term "association" shall include the Association or its duly authorized representatives.

D. The term "may" is permissive and vests exclusive authority for its exercise in the District.

E. The term "shall" is mandatory and divests the District or Association or employee of discretion.

F. The term "nurse" means a registered nurse.

G. The term "satisfactory" as used in 8.3 A of this contract shall mean "Meets or Exceeds Districts Expectations" as described on the Overall Evaluation Summary of the annual performance evaluation.

H. Serious illness as used in II.2 Emergency Leave shall be defined as an illness or accident requiring emergency-room medical attention, outpatient clinic treatment, hospitalization and/or a doctor's office visit.

Article 2 - Grievance Procedure

- 2.1 The purpose of this article is to provide a mutually acceptable method for the prompt and informal resolution of an alleged grievance.

- 2.2 A "grievance" is a complaint by an employee, group of employees or the Association that there has been a violation, misinterpretation or misapplication of a specific provision of this Agreement. An "aggrieved person" includes the person or persons of the Association representative filing the grievance. "Days" means normal school day, excluding weekends, holidays and vacation days.

- 2.3 An aggrieved person shall comply with the following procedures:

Level 1. The aggrieved person shall discuss the grievance with the appropriate principal within ten (10) days after the grievance arose or, if the principal is absent during such period, within three (3) additional days after his return to duty. The principal shall respond within five (5) days after such discussion.

Level 2. If the grievance is not satisfactorily resolved, the aggrieved person shall, within five (5) days of the principal's response, file a written grievance, on the form set forth in Attachment 1, with the superintendent detailing the date of the alleged violation, the provision of this Agreement involved, the specific fact on which the grievance is based, and the relief sought. The superintendent shall meet with the aggrieved person and, at the aggrieved person's option his/her Association representative, at a mutually agreeable time and place, within ten (10) days of receipt of the grievance to discuss it. The superintendent shall answer the grievance in writing within ten (10) days of such meeting.

Level 3. If the grievance is not satisfactorily resolved, it may be appealed to arbitration by the Association, with the concurrence of the aggrieved person(s), by written notice to the District within thirty (30) days of receipt of the superintendent's answer. Within ten (10)

Failing agreement, a written request shall be made to the Federal Mediation and Conciliation Service for a panel of seven (7) arbitrators. The parties shall alternately strike from such list, and the remaining arbitrator shall hear and decide the grievance. The arbitrator shall issue an award, containing findings of fact, reasoning and conclusions, within thirty (30) days after the conclusion of the hearing. The arbitrator shall have no authority to add to, subtract from or otherwise modify the provisions of this Agreement, to require the violation of law or this Agreement, or to substitute his discretion for that of the District on matters reserved to the discretion of the District by law or the terms of this Agreement. Issues involving the termination of an employee, which are or may be subject to Chapter 279, Code of Iowa, are not subject to the provisions of this article. In a Chapter 279 termination proceeding, any alleged violation of a provision of this Agreement may be presented by the employee. Arbitration awards issued under Article 2 of this Agreement shall be admissible in Chapter 279 proceedings. Complaints, which have been submitted to any other forum and involving the same parties, claims and facts as are submitted, as grievance shall not be subject to the provisions of the article. The arbitrator's award, if within such limitations, shall be final and binding on the parties. The costs of arbitration, excluding the costs of representatives of the parties, shall be equally born by the parties.

- 2.4 Grievances shall not be kept in the employees' personnel files.
- 2.5 All meetings described in Section 2.3, Levels 1 and 2, shall be conducted in private.
- 2.6 The time limits set forth in Section 2.3 shall be followed by the aggrieved person(s) and the Association, or the grievance, in the absence of mutual extension, shall be barred from further processing.
- 2.7 No reprisals will be taken by the District against an employee because of his/her participation in the grievance procedure.
- 2.8 All grievances shall be investigated and processed on employees' non-working time. Level 1 grievances may be discussed at times that do not interfere with employees' assignments.

4 th year employment	13 days
5 th year employment	14 days

The above amounts shall apply only to consecutive years of employment in the District and unused portions shall be cumulative to a total of 105 days. The District may require reasonable evidence for such leave of absence. Employees shall be given a copy of a written accounting of accumulated sick leave at the beginning of each school year.

The district shall pay each certified employee, who misses 5 or fewer days in any combination of personal, emergency, or sick leave, \$10 for each unused sick leave day per year. This total will be figured by multiplying \$10 by the number of days not used from that year's total allowance. This has nothing to do with the sick leave bank total and the sick leave bank will have nothing to do with calculation of this incentive. Payment will be made on the June paycheck.

11.2 Emergency Leave

In the case of death and/or serious illness in the employee's immediate family, up to five (5) days of absence with full pay per year shall be granted from the individual's sick leave total. Employees may use two (2) of the above five (5) days for grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law. This leave shall not be cumulative. Additional days may be granted from the individual's sick leave total, at the discretion of the District. One of the above days may be used for death and/or serious illness of other relative or friend, or for some emergency that may occur affecting the employee. If an employee has used all personal and emergency leave days, unpaid emergency days, in the case of death and/or serious illness, may be requested. Up to 10 paid days may be granted at the district's discretion for reimbursement. If available, discretionary days will be deducted from any sick leave bank. The District may ask for documentation.

Two of the five (5) days of emergency leave may also be used by the employee, if immediate family illness arises when the employee is unable to arrange care for immediate family member(s). The immediate family shall mean father, mother, spouse, son, daughter, brother, or sister. The District will normally not grant additional days of this nature, but if extenuating circumstances lead to discretionary days being granted, they will only be granted from the individual's annual emergency leave total and sick leave bank total.

11.3 Personal Business Leave

A. For occasional absences for which sick leave or emergency leave does not apply, an employee may be excused to attend to non-remunerative personal business activities. A maximum of two (2) days per year may be granted (with no reason given). The first day will be granted at full pay while on the second day the employee will pay the cost of the substitute. An employee who does not use any personal business leave during the current school year will receive a stipend of \$80.00 at the end of the school year.

B. The following conditions shall apply to personal business leave days:

1. The employee must submit a request at least three (3) days prior to the day(s) requested, except in case of emergency.
2. The employee will not be granted a leave on (a.) days immediately preceding or following scheduled holidays or school-scheduled vacation periods, (b.) on any In-service date, professional staff development day, or teacher work day, (c.) on Parent-Teacher Conference day, (d.) examination day(s), (e.) nor at a time when a teacher's absence may seriously hinder the overall operation of the school.
3. No more than two (2) employees per building will be granted personal business leave on a given day.
4. Personal business leave will be granted minimally in 1/2 day increments.

11.5 Association Leave

Up to two (2) days shall be available for an Association member to attend the I.S.E.A. Delegate Assembly. This shall be a paid leave. Notice shall be given to the employee's principal at least three (3) days in advance. The Association will pay for the cost of a substitute.

11.6 Professional Leave

Attendance at educational meetings or visiting other schools is permitted at full pay if such absence is approved by the Superintendent. If any teacher or other employee wishes to be absent from duty to attend a professional meeting or to visit schools, a written request for the approval of such absence should be signed by the principal and filed in the personnel office at least three (3) days prior to anticipated absence.

11.7 Military Leave

A leave of absence will be granted for reservist for training purposes but not for a period exceeding a total of thirty (30) days in any calendar year. Leaves for training purposes are granted without loss of pay but employees are expected to take such training during times when the schools are not in session whenever possible.

A leave of absence without pay may be granted by the District to any employee.

12.2 Employees terminated due to staff reduction shall have recall rights to any vacant position for which the Employer decided they are qualified for one (1) year from their date of termination, which is the final date of the employee's contract. If an employee fails to respond within ten (10) days after receipt of recall notice, he/she will be deemed to have refused the position offered.

12.3 All benefits to which an employee was entitled at the time of his/her termination shall be restored to him/her upon his/her return to employment and the employee will be placed on the proper step of the salary schedule according to his/her experience and education.

Article 13 - Health and Safety Provisions

13.1 Physical Fitness

Physical examinations shall be required of all certified personnel covered by this Agreement upon their initial appointment. Such cost shall be borne by the Employee. After employment, the employee shall have a physical examination every three (3) years and the cost of the required physical examination shall be considered paid with an additional \$5.00 per month added to the health insurance premiums paid in the 1999-2000 master contract.
